PROVEN TRACK RECORD OF SUCCESS

Creating unforgettable weddings is what we do best. But rather than hearing it from us, hear from the couples who have celebrated their love at Chester Town Hall. Here are some of their experiences from the last three years.

We recently had our wedding ceremony at the Townhall and it was perfect. The venue is absolutely beautiful and the staff are extremely helpful and friendly. Alice and Emma helped us arrange our big day and was very responsive to any queries we had. The confetti drop down the staircase was fantastic too!

- Aimee & Thomas

We got married at Chester Town Hall on 11/04/2026, and it was absolutely perfect. Although it was just a small ceremony with 25 of our closest family and friends, the day felt incredibly special. The Town Hall is a beautiful venue, and the staff were welcoming, professional, and made us feel completely at ease from the moment we arrived. Everything was well organised, and the ceremony ran smoothly, allowing us to relax and enjoy every moment. We couldn't have asked for a better place to start our married life together. Thank you to everyone at Chester Town Hall for helping make our wedding day so memorable.

- Amit & Suki

We booked the town hall at quite short notice for a small wedding in the committee room. Our day was perfect and the team made sure everything went to plan. Nothing was too much trouble and all our guests commented on what a perfect venue we had chosen. The town hall itself is stunning and we felt the venue was brilliant value and felt incredibly special.

- Laura & Richard

We got married in the committee room and it was perfect. A beautiful room and all the staff look after you. On the run up to the wedding, Emma was brilliant at answering questions and putting our minds at ease. On the day, everything ran smoothly due to their hard work and commitment. Highly recommend using the green room to get ready!
